

# *Jericho Board of Ed Sets 2009-2010 Calendar*

The Jericho Board of Education is in the process of setting an agenda that outlines academic presentations for the 2009-2010 school year. Listed below is a preliminary schedule for the coming year. "This calendar gives residents advance notice of the schedule for presentations throughout the school year," said Board President Barbara Krieger. "It is our hope that interested individuals will join the Board as we are updated on and discuss the many aspects of our educational program."
