## **Robert Seaman Class Greet Special Visitor**

By Denise Nash

Murray Wilensky, Jericho resident and US Navy veteran, visited Nancy Sherman's class at Robert Seaman Elementary School on Nov. 10 to read to the third graders in honor of Veteran's Day.

This was a special visit for Ms. Sherman, as Wilensky is her father.

Wilensky, who was involved with the Navy from 1949 -1957, showed the students his medals, including the Korean Medal, National Defense Medal, European Occupation Medal, and United Nations Medal, as well as many prestigious certificates that he earned during his tenure in the Navy.

The students had the opportunity to ask Wilensky questions, including why he went into the Navy, and visit with him after he read them a book about the Navy.
