Jericho School District Thanks Zorn's Catering

At Jericho's September 15 Board of Education meeting, Superintendent Hank Grishman (right) presented Paul Gucciardo (center), manager of Zorn's Catering of Bethpage, with a plaque of appreciation for the caterer's participation in Jericho's September 11 Walk To Remember. Zorn's donated all of the food for the event, even coming back to replenish the trays of food. Also on hand was Mary Jo Moriarty (left), Walk organizer and high school guidance counselor.
