

**JERICHO HIGH SCHOOL
COUNSELING CENTER**

CLASS OF 2010 COLLEGE APPLICATION PROCEDURES

Each student is required to complete and submit a Parent and Student Brag Sheet , and activity resume to the Counseling Center. Counselors use these forms to write a profile/recommendation for each senior.

A Records Release Form for Colleges must accompany each request for the information you wish to have forwarded to the college.

Applications must be handed directly to the guidance counselor, not left on the counter, desk or counselor's mailbox. Incomplete or improperly completed applications will be returned with instructions for proper completion. Requests for supplementary informant after an initial transcript has been mailed must be accompanied by another Records Release Form for colleges.

The Guidance Office will forward unofficial SAT or ACT scores to colleges. Official scores can only be sent from the testing agency. Instructions for having scores sent to a college can be found in the SAT and ACT Registration Booklet.
