The Rise of Industry Research Project

Mr. Kovoros—Social Studies—Grade 8—Slide 1

Name: _____

Motivation

- What events or circumstances motivated or inspired this person to get involved in his line of work?
  - early interests?
  - family crisis?
  - poverty?
  - wealth or exceptional education?
- Include a graphic.
  - scan a picture or your own drawing
  - use clip art
  - copy an image from the Web

This slide should help your group explain what you think inspired your leader to work so hard and accomplish so much in his/her lifetime.

The graphic you select or create should provide additional information or help your classmates remember your main point.

Research Notes

Bullet points for slides based on notes: (Each point should be 7 words or less if possible! Add details during your ORAL presentation. Create another slide if you have more than 5 points.)
