- Georgia
- Maryland
- South Carolina

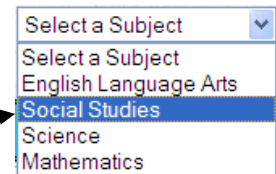

1. Use books.

- The best titles for this assignment are on labeled book carts in the MS library.
- Use the tables of contents and indexes to locate information on your colony.
- Identify key terms and important people to research further using the databases.

2. Use Internet Websites.

- Begin at the Middle School Library home page located at <http://www.jerichoschools.org/ms/library>

- Use the drop down menu to select ***Social Studies***

- Under ***American History***, click ***The Thirteen English Colonies***

*The links on this page are trusted sites evaluated by your librarians.
Use the general sources or scroll down for site about specific colonies.

3. Use our subscription databases.

World Book Web works well for this assignment

From the Middle School Library homepage, click the Databases icon.

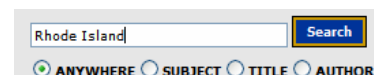

Scroll to the bottom of the page and click on World Book Web.

Enter a search term and click the GO button.

Click the article title to read the text.

Check the side bars for links to different sections of the article: i.e. "History."
