

Robert Seaman Elementary School

Dear Students:

Welcome to Fifth Grade!! We are so happy to have you as a member of the **Seaman Class of 2010!** We hope that you had a fun-filled summer.

We have wonderful events to look forward to this year. We will be taking many field trips and learning about oceanography, the United States, our heritage, whales, DNA, and a host of other projects which will keep us quite busy.

In case you want to beat the crowds at the supply counter we are enclosing a list of supplies you **may** want to purchase before school begins.

All you really need for the first day is something to write with and on!! You should also be prepared to come to school with a good book so that we can enjoy some leisure reading during those first few days of school.

We hope you enjoy the remainder of the summer and we look forward to meeting you on September 3rd.

Very truly yours,

Mrs. Freitag , Mrs. Gladd, and Mrs. Treiber
